以胡姬花闻名的新加坡精品及首饰品牌RISIS，推出了首个灵感取自12生肖的珠宝首饰。

Zodiac Dragon Luxe系列，灵感来自传统的祥龙造型，但也注入了时尚元素。系列的产品以用纹银（sterling silver）来制造，龙身更是有精细的纹路，再用红宝石来镶着成眼睛，炯炯有神，而且整体造型富动感。

一系列共有3件首饰，包括项链（\$1050）、手镯（\$450）、戒指（\$250），可单独购买，也可以当成一套来配戴。

Known for its range of Orchid gift products, Singapore brand RISIS launches the first zodiac-inspired jewellery collection. The Zodiac Dragon Luxe collection is inspired by the form of the auspicious dragon yet with a modern aesthetic. The collection is made from sterling silver with dedicate detailing on the dragon's body. Rubies were used as the eyes of the dragons to animate its delicate curves.

The collection consists of three jewellery pieces – necklace (S\$1,050), bangle (S\$450) and ring (S\$250); available at RISIS outlets as individual pieces and as a set.
